

# AN OPPORTUNITY FOR JAVA EE JUNIORS IN OSTRAVA WSO2

## Baseline

- Italian company called Emerasoft needs a Java EE developer to help with growing demand for WSO2 middleware integration
- Firm financial background, long-term vision
- Opportunity for juniors - skilled team of senior developers/architects from Turin will provide initial training as well as long-term mentoring and support
- Place of work - Ostrava !!! (+ Turin at the beginning)

## Technology

- Necessary skills: Java EE, XML
- Areas to learn: WSO2 – Middleware, SOA, ESB, WSDL, REST, API management, DAS, IS, Cluster

## Long-term vision

We are just at the beginning of developing a local know-how center with a high potential to grow. The center will be connected to renowned international business.

## Who are we

We are tech geeks. We work hard to show the world the potential of Ostrava and the Czech Republic. The drive to learn and improve is in our DNA. And all of us speak English.
